Drop-off hours: 8:30am-4:00pm M-F

WE'VE MOVED!

The Capital Area Corporate Recycling Council is now up and running at its new location on 1400 Main Street in beautiful Baton Rouge. Just minutes from downtown, this great new space includes an expanded storefront and convenient on-site warehouse. The CACRC continues to offer e-recycling services to local businesses and individuals, and assistance to schools and non-profits throughout the state. Now in its sixth year of operation, the Computers for Louisiana Families program (CLF) provides refurbished computers at reduced costs to low-income families and Louisiana college students. Thanks to all of our generous donors and sponsors for their continued support of the CACRC!

Nancy Jo Craig, Executive Director

We love our new building!

COMING SOON: WINDOWS 7

The CACRC has upgraded! In addition to a wide selection of Windows XP computers, the CACRC will soon be offering laptops and desktops fully installed with Windows 7 operating systems for our community programs. Upgraded systems will include Internet Explorer and Mozilla Firefox, Open Office Suite, Adobe Acrobat Reader, antivirus/antispyware protection from CLAM, and a free 60-day warranty. The CACRC continues to update its storefront with items such as printers, stereos, speakers, and more!

EXXON MOBIL EVENT

The CACRC, in partnership with Exxon Mobil, is pleased to announce its participation this past month in a special e-recycling event. On June 10, 2011 Exxon employees were given the opportunity to recycle their e-waste with the CACRC, contributing more than a ton of personal electronics and equipment for reuse and resale. Donations helped to support community programs such as CLF, which helps hundreds of families every year. The event was a huge success!
